	Scientific Areas of Support This choice should match the Option for Proposal Submission chosen by your advisor when this record was created. *
0	Earth Science - (If you select this area, proceed to Question 3)
\circ	Heliophysics Research - (If you select this area, proceed to Question 4)
\circ	Planetary Science Research - (If you select this area, proceed to Question 4)
\bigcirc	Astrophysics Research - (If you select this area, proceed to Question 4)
	Earth Science Focus Areas
	Select at least one, but not more than two!
	Climate Variability and Change
	Atmospheric Composition
	Carbon Cycle and Ecosystems
	Water and Energy Cycle
	Weather
	Earth Surface and Interior
	Are you a U.S. citizen?
0	Yes
0	No
	What is your citizenship? If you are not a U.S. citizen, please provide your country of citizenship. *
	Gender *
\circ	Female
0	Male

	Are you an individual with disabilities?
0	Yes
\bigcirc	No
	Race/Ethnicity:
	Check all that apply. Furnishing the information on the application form is voluntary.
	American Native or Alaskan American
	Hispanic or Latino
	Asian
	Pacific Islander/Native Hawaiian
	African American, not of Hispanic Origin
	White, not of Hispanic Origin
	Birth State: In what state were you born? *
	Birth Country: In what country were you born? *
	Degree Program: In what degree program are you enrolled? *
\bigcirc	Masters
0	Ph.D.
	Undergraduate GPA/Field of Study: What is your undergraduate GPA/Field of Study? *
	Graduate GPA/Field of Study: What is your graduate GPA/Field of Study? (If applicable) *

Student Allowance: The student allowance is \$3,000 and should be itemized to include anticipated use of the grant funding for, i.e., travel to conference seminars, health insurance policy books, etc. Requested budget in the two allowance categories may be exchanged, as long as the tool of the two categories on to exceed \$6,000. Students are encouraged to work with their advisor and university Office of \$port Research in determining the appropriate allocation in each budget category. The student allowance must be prorated if anticipated to less than twelve months.* **University Allowance:* The university allowance is \$3,000 and should be itemized to include anticipated use of the grant funding for, i.e., tuition and fee Requested budget in the two allowance categories may be exchanged, as long as the total sum of the two categories does not exceed \$tudents are encouraged to work with their advisor and university Office of \$ponsored Research in determining the appropriate alloca each budget category. The university allowance must be prorated if anticipated tenure is less than twelve months.* Total Requested (maximum of \$30,000) The maximum NESSF award is \$30,000 per year.
